

# Texas Coop Power

EDITORIAL CALENDAR

# My Texas Magazine

Every month **Texas Co-op Power** delivers the best of the Lone Star State. It's all about the places Texans want to go, people they want to meet, recipes they want to share and culture they want to experience. And it's all available in print and digital channels.

## DEPARTMENTS

We take a deep dive into all things Texas.

**TCP Talk:** Readers share their opinions and ideas with friends and neighbors via email and social media.

**Currents:** Unexpected and lighthearted insights into current events and the co-op community.

**TCP Kitchen:** Explore Texas cooking with a new contest each month, featuring readers' personal stories and family favorites.

**Footnotes in Texas History:** A reader favorite: the little known, the legendary and everything in between.

**Focus on Texas:** Our monthly photo contest showcasing readers' snapshots.

## TCP Digital

Find more of your favorite content: hundreds of recipes, audio and video, expanded event listings, and archives of stories you want to read again.

# Editorial Calendar

## OCTOBER 2023

### It Is Rocket Science

A science, technology, engineering and math curriculum pushes high school students to problem-solve their way to a mile high.

### Still in the Saddle

Senior barrel racers and calf ropers more than make up for stiff and tired joints with experience and wisdom developed over decades.

## NOVEMBER 2023

### Gather Round

Poets, singers and songwriters from across the U.S. gather in Alpine each winter, when they dazzle crowds with stories and songs at the Lone Star Cowboy Poetry Gathering.

## DECEMBER 2023

### Counting on Christmas

Passionate bird watchers bring their binoculars to the Gulf Coast for a December tradition: the Mad Island Marsh Preserve bird count.

### Banjo Builders

A pair of woodworkers are outfitting musicians with the finest examples of ornate, custom-made instruments.

# Editorial Calendar

## JANUARY 2024

### Small Wonders

East Texas students work with a nonprofit homebuilder and a landowner to build tiny homes for veterans in need.

### Art Enclave

An abundance of artists open their doors to the public in the tiny town of Edom.

## FEBRUARY 2024

### Putting It All Together

Jigsaw puzzles are still designed and made right here in Texas. We bring all the pieces together for a revealing picture.

### Nature Reservation

Find adventure, tranquility, history and maybe even an alleged wily reptile at the Mineola Nature Preserve.

## MARCH 2024

### The Big Eclipse

Texans will have a front-row seat for what has been dubbed the Great American Eclipse (April 8, 2024), with viewing plans years in the making.

### Canine Competitors

Sports have finally gone to the dogs, with speed, agility and tracking competitions gaining momentum.

# Editorial Calendar

## APRIL 2024

### **Petals in Peril**

Endangered native flowering plants get a helping hand from conservation groups and garden clubs.

### **Divine Water**

A rural group of volunteers has funded in five Africa nations projects that provide clean drinking water—now turning to a sixth, Zambia.

## MAY 2024

### **Texas' 'Yellowstone'**

The massive Four Sixes ranch is known for the hit TV show filmed there, but it's also a champion for responsible land management.

### **Quiltaway Camp**

In the leadup to the International Quilt Festival, crafters leave the real world behind to be immersed in quilt culture.

## JUNE 2024

### **Dale's Trails**

A professor who has visited all 95 state parks has the inside scoop on the best hikes and sights in Texas.

### **Bloodlines**

Three generations of West Texas lineworkers—a grandfather, father and son—answer the call when the power goes out.
