

Texas Coop Power

EDITORIAL CALENDAR

My Texas Magazine

Every month **Texas Co-op Power** delivers the best of the Lone Star State. It's all about the places Texans want to go, people they want to meet, recipes they want to share and culture they want to experience. And it's all available in print and digital channels.

DEPARTMENTS

We take a deep dive into all things Texas.

TCP Talk: Readers share their opinions and ideas with friends and neighbors via email and social media.

Currents: Unexpected and lighthearted insights into current events and the co-op community.

TCP Kitchen: Explore Texas cooking with a new contest each month, featuring readers' personal stories and family favorites.

Footnotes in Texas History: A reader favorite: the little known, the legendary and everything in between.

Focus on Texas: Our monthly photo contest showcasing readers' snapshots.

TCP Digital

Find more of your favorite content: hundreds of recipes, audio and video, expanded event listings, and archives of stories you want to read again.

OCTOBER 2024

From the Top

University programs are sending students and professors on mountaintop adventures in the name of journalism.

Crowning Mow-ment

Yard work just doesn't cut it for the dedicated drivers and DIYers of lawn mower racing.

NOVEMBER 2024

Saving Snakes

When wily reptiles find their way into living spaces, he dutifully answers the call as a specialist in humanely removing rattlers.

Tricks for Enduring

Retirement isn't what Mike Harrell envisioned, but he's finding his way with the help of dominoes.

DECEMBER 2024

Bright Christmas

A 150-year-old North Texas pecan tree undergoes an annual magical metamorphosis: It's wrapped in tens of thousands of lights.

Everybody's Beeswax

Scientists and landowners help each other help honeybees help the rest of us.

Editorial Calendar

JANUARY 2025

Home on the Range

RVers buy local with Texas-made vehicles that allow them to take all the comforts of home just about anywhere.

Some Bear Out There

After they were pushed out of West Texas decades ago, ambling omnivores are reclaiming their old turf.

FEBRUARY 2025

Dance to a Different Tune

Square dancers embrace the life-lengthening benefits of their passion and make little changes to grow a grand tradition.

Our Parisian Cowboy

At the Capitol, a life-size statue of a bronco-busting range rider holds 100 years of colorful history.

MARCH 2025

Visit Ancient Texas

Five years after it closed, Caddo Mounds State Historic Site reopens to visitors curious about its Indigenous past.

Get to Know Heroes

Arlington's National Medal of Honor Museum tells the stories of Americans who risked it all for the rest of us.

Editorial Calendar

APRIL 2025

Dragons and Damsels

Texas is home to more than 250 species of majestic dragonflies—and at least as many camera-toting chasers.

Sky's no Limit

Avenger Field was home to the U.S. military's first female pilots and is now an homage to their service.

MAY 2025

Chasing Dreams

Texas has kept thrill-seeking storm and tornado chasers busy with an average of more than 100 twisters a year since 2020.

Path to the Past

Military forts established along the frontier more than 150 years ago have been repurposed in a variety of ways.

JUNE 2025

Rent a Ruminant

Grazing goats get loaned out to keep solar fields, hiking trails and campuses in fighting shape.

Steel in the Limelight

Thousands of employees put in decades of work at Lone Star Steel, reaching space along the way.
